PGL

Last weekend 64 Year 6 pupils and six teachers went to PGL at Boreatton Park in Shropshire. The children tried a range of activities including abseiling, problem solving, giant swing,

raft building and archery. The children had a fantastic time. They all had a chance to push themselves and try things they hadn't done before. A special thank you to Miss Partington, Mrs Kirby, Mrs Boakes, Miss Ashton, Miss Prosser and Miss Mulvany who gave up their weekend to take the children away.

Year 6 APPLE

The remaining Year 6 students had a fantastic day at A.P.P.L.E Art Block. They made pizzas in a wood burning oven, created unique pieces of art and even learnt how to skateboard. Massive thanks to the DSA who funded the

day completely.

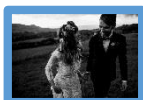

Sports Day

This year we have combined the Key Stage 1 and Key Stage 2 Sports' Days. They will both be taking place on the Twyford Sports Field. Key Stage 1 will only be there for the morning whereas Key Stage 2 will be there for the whole day. There will be a further letter to give more details but we would like at least two parent volunteers per class to help walk the children to and from the field. If you can do this, please either speak to your child's class teacher or email Parentcomms. We would also be grateful if anybody could lend us (and help put up) a gazebo so the children have somewhere to sit out of the sun.

Thank you to the DSA

There has been much excitement among the children about the new library on the middle floor. This has been stocked with books that were donated from the Book Amnesty. Children are able to borrow these books. Thank you to the DSA for organising this but special thanks must go to Marilyn Rust (mum of Alf in Year 1) who gave up days of her time to sort and organise the books.

Congratulations Mrs Boakes!

Congratulations to Miss Porter who became Mrs Boakes over half term. I am sure you all join us in sending her and her new husband our best wishes.

Summer Fair and Eid Party

Tickets are now on sale for the Summer Fair and Eid Party. The DSA are looking for volunteers to help on the evening. Please sign up via your class reps.
