Year 6 Sats

Year 6 have had a tough week this week as they have been sitting their Sats tests. The children have worked really hard and tried their best. We try to make the week as stress-free as possible for the children. We provide breakfast club, free of charge, for the week to all Year 6 children. This means that the children have all had a breakfast and time to play with their friends before the tests. A huge thank you to Mrs Davenport and Ms Bhardi for running the club with all the extra children. Thanks also to Ash in the kitchen who provided all the extra cutlery and crockery that was needed.

In the afternoons, after the children had taken their tests, the teachers made sure that they did fun activities such as making lemonade, making ice cream, water balloons, Mayan masks, xBox competition and decorating cupcakes. Special thanks must go to Miss Partington who organised the entire week so that it went seamlessly, to the Year 6 teachers who have supported the children so well, to the members of staff who invigilated the tests and, finally, to the parents and carers of our Year 6 pupils for supporting their children. Year 2 are also writing their Sats this week and next week. Years 2 and 6 will be having a Sats party on Friday afternoon. The theme is 'The Red Carpet'. Children can wear their own clothes suitable for the red carpet. Sign-up sheets for food will be available from Monday.

Silver Singing School

We have recently received a plaque from Mariana Nina from Ealing Music Service in recognition of our status as a 'Silver Singing School'. This means we have worked in collaboration with other schools to improve singing. Congratulations to Miss Chambers who has worked hard to introduce this into school.

Year 5 QPR football

8 Year 5 boys went to QPR for a football tournament that was held on the pitch at Loftus Road this week. The boys played really well and finished third in their group. Congratulations boys! Thanks to Mr Clayton for arranging for them to attend the tournament.

Nursery Paintings

The Nursery children have been learning about emergency services. They made paintings of emergency vehicles using their feet!

Conversation Club

Our new Conversation Club for parents with little English which is funded by the Big Lottery Fund is starting next week. There will be sign-up sessions on Tuesday and Wednesday at 9am in the Junior Canteen. Thank you to Mrs Hingley who has organised this entire project. We hope to see you there!

Year 3 learning about light

You may have noticed some strange body outlines in the Global Garden as Year 3 took their science learning outdoors to understand how shadows change throughout the day and why this happens. Perfect weather for it!

Dates for your diary

- 21st May - School Choir to St Barnabus Church
- 22nd May - Conversation Club 9.00 - 10.30am
- 23rd May - Conversation Club 9.00 - 10.30am
