

Friday 26th January 2018

Cycle Training

CTUK instructors will also be available after school to speak to parents about cycle training and maintenance. Minor adjustments to bikes and mechanical advice are also offered for the whole school community. Bring your bike along on Thursday between 01.02.18 and 22.02.18. Parents of pupils on the course can discuss with the instructors their child's progress and what the course involves.

Year 5 Science Museum Trip

5 Mars went to the Science Museum on Tuesday. They had a great time and particularly enjoyed the experiments in the Wonderlab.

Children's Mental Health Week

Children's mental health week runs from 5th February to 9th February. The theme this year is being ourselves. The children will have an assembly from Alice, our school counselling service manager, about the importance of being ourselves and developing self-esteem. She will also be holding a coffee morning for parents about ways to develop your child's resilience and self-esteem. There will also be a non-uniform day with all donations going towards funding our school counselling service.

Children and Money

Yesterday, we held a workshop for parents about how to help your child manage money. The feedback from parents was that the workshop was really helpful. They felt that it gave them good, practical ideas to help their children with money.

School meal debt

Please ensure that you do not have any school meal debt. If you have any debt, your child will not be fed a hot meal.

Dates for your diary
