

Friday 23rd November 2018

Nursery

Nursery learnt the nursery rhyme, Baa Baa Black Sheep this week. They enjoyed doing lots of different art activities where they made black sheep.

Reception

Reception read Giraffes Can't Dance by Giles Andreae and Guy Parker-Rees. They then tried to make their own giraffes.

Year 1

As part of their topic on materials, Year 1 built a bridge this week. They had to design and make a bridge out of different materials and consider which material would make the sturdiest bridge.

Year 2

This week Year 2 have been learning about food chains. They went out to the Global Garden to create their own food chains.

Year 3

Congratulations to the winners of our Black History Month competition in Year 3.

Year 4

Congratulations to the winners of our certificates in Year 4 this week. These children have been excellent examples of our value of the month: responsibility.

Year 5

Year 5 students have shown excellent rhythm and enthusiasm towards our samba unit! In today's lesson students created their own samba routines which included dance moves such as the box step and the basic samba step.

Year 6

The year 6s had an informative visit from our favourite police officer, PC McGuigan. She came to share tips on how to stay safe outside of school, specifically on public transport. She even let the Year 6s test out her kit.

Individual Photos

Individual and family photos will be taking place on Monday 26th November. We have been assured that there is a maximum five day turnaround from ordering to receiving the photos. You should, therefore, have them before Christmas. Please look out for an email with further details.

Community Coffee Morning

Thank you to all the parents who came to our Community Coffee Morning. It was great to have representatives from all of the different sections of our community.

Children in Need

Thank you for your generosity. We raised £237.37 for Children in Need from our non-uniform day last week.

5 Mars to Gunnersbury Museum

5 Mars enjoyed their workshop at Gunnersbury Museum this week. Here the girls are dressed up as Victorian housemaids, something that 7/10 girls in Acton would have become during Victorian times.

Climbing frame

Please can you help us and make sure that your children do not climb on the climbing frame before or after school. This for the children's safety. Thank you for your support.

Children & Money Workshop

This is your last chance to sign up for the Children and Money Workshop taking place in the Hub on Thursday 29th November at 9am. Come along to get some advice about how to talk to your children about money.
