Friday 8th February 2019

Dear Parents and Carers,

This week is our last week of learning about water and we have had lots of fun learning about pirates.

- In Maths we have been learning about taking away. We were using pirates and taking them away from their ship to encourage children to learn about subtraction.
- We have been making lists about pirates, making treasure maps and pirate ships.
- We have also been completing end of term assessments for reading and maths.

Congratulations to our Stars of the Week this week:

- Sharks – Zarvey
- Dolphins – Tala
- Turtle – Kieran

Important Information:

- Resource Donation
Thank you to all those parents who have donated for our cooking resources. These donations will be used a lot next half term as we will be learning about food and doing lots of cooking! The portal is still open if you wish to donate, £2 per half term or £10 for the year.
- Stay and Play – There will be no Stay and Play as it is the final week for the half term. The next session will be Friday 8th March.

Dates for your diary:

- Half term 18th- 22nd February

Next week:

- Next week we will be learning all about Chinese New Year. During the week we will be tasting a variety of different Chinese foods. Please let us know if there are any foods you **do not** want your child to taste. These foods include:
 - Soy Sauce
 - Prawn crackers
 - Rice noodles

The Reception team

Miss Spencer, Miss Gibb, Miss Lowe, Mrs Bachoo, Miss Delany and Mrs Joseph

We aim to ensure our pupils become well-rounded, successful people who are equipped for life in Modern Britain
