

Friday 25th January 2019

This week's learning

This week we were reading the story The Rainbow Fish. The children talked about the

story and tried to sequence it in the right order. The children discovered the beauty of winter by watching the ice melt.

We still focusing on our writing and mark making skills. We use different materials and techniques every day.

We also made tasty and healthy fish cakes with Mrs Ryan. The children enjoyed measuring the ingredients, cracking the eggs and whisking

butter with different spices.

Next week's learning

Next week we are going to be learning about farm animals and reading the story Oh dear!

Stay and Play

Every Tuesday our door is open and we would like to invite you to Stay and Play with your child. You are welcome to stay with us from when the gate opens until 9:15am. For the afternoon children the parents are welcome to stay with us until 1pm.

Makaton sign of the week

We have started to introduce to children to Makaton – a simple way to communicate using signs. Ask your children if they know the sign for horse and pig.

Reading at home

Books will be changed every Monday and Friday. We will also provide a blue reading record book - we would be grateful if you could write a comment telling us if your child enjoyed the book.

Please could you make sure your child's clothes are labelled with their name?
Please could you bring some wipes or tissues for your child to use at Nursery as we rapidly run out at this time of the year, thank you.
