

Friday 14th June 2019

### This week's learning

This week we discovered the secret of life of insects. We learnt a lot about snails and focused on the story 'Snail Trail' by Ruth Brown. We made our own snail habitat where we feed the snails every day and watch them grow.

On Tuesday, the children enjoyed making snails out of clay and learnt about the snail's

body parts. On Wednesday we cooked with Mrs Ryan and made tasty puff pastry snails as a

snack.

### Reading and homework

Please try to encourage your children to read and read with them in both English and your home language, if it is not English. We will be giving out a book every Monday and Friday. Please make sure that the **blue record book** is in the book bag as well as the book you wish to swop.

### Next week's learning

Next week we are going to read a story 'The Very Lazy Ladybird'. We are going to make our own ladybirds out of paper plates and investigate how many dots each ladybird has.

for your help and support.

### Help needed!

Could you please bring a small round rock or stone to the nursery? We are going to be painting ladybird number stones on Thursday. Thank you

### Dates for your diary

**2nd July** – New Reception parent event

**5th July** – DSA Summer Fair

**8th July** – International Week

**22nd July** – Nursery end of year picnic
