

Friday 21th June 2019

This week's learning

This week we discovered the secret life of ladybirds. We found out that the ladybird belongs to the beetle family and that some people call it a

ladybug. We had so much fun reading the story 'The Very Lazy Ladybird' and made our very own ladybirds out of paper plates and rock we brought to the nursery.

On our sensory tray we focused on positional language and played with ladybirds on the grass. In the maths area, we counted the spots and placed them on the ladybirds.

Reading and homework

Please try to encourage your children to read and read with them in both English and your home language, if it is not English. We will be giving out a book every Monday and Friday. Please make sure that the **blue record book** is in the book bag as well as the book you wish to swop.

Next week's learning

Next week we are going to read the story 'The Very Hungry Caterpillar'. We are going to do several art activities based around the story and make our very hungry caterpillar out of grapes. We will be focusing on the letter C, c and recognising numbers 1-10.

Dates for your diary

2nd July – New Reception parent event
9am, 2pm and 6pm

5th July – DSA Summer Fair

8th July – International Week

22nd July – Nursery end of year picnic
