Friday 21<sup>st</sup> June 2019

Dear Parents and Carers,

This week we read 'The Three Little Pigs' and have been learning more about our homes.

- We identified which type of house we live in and spoke more about the different features of different types of homes. We also looked at different types of house around the world and noted the differences in shapes, sizes and materials used.
- We looked at different types of materials that buildings are made of: bricks, wood, metal, glass etc.
- Discussed which materials are good for building and which materials are not good for building houses.
- We classified materials into groups according to their properties: hard, soft, bendy, stiff, rough and smooth.
- In Maths, we have been learning about number bonds to 10. We used our fingers to count on to 10 and made addition calculations using the Numicon.

Dates for your diary:

- Reception sports day – Thursday 4<sup>th</sup> July
- Class photos – Monday 8<sup>th</sup> July
- Class trip to Odd's farm – Thursday 18<sup>th</sup> July
- End of year picnic – Friday 19<sup>th</sup> July
