Dear Parents and Carers,

We have really enjoyed reading 'The Bad-Tempered Ladybird' and learning all about making good choices.

- The children have been writing about ladybirds. The children have started to learn about using speech marks, question marks and exclamation marks in their writing. They pretended they were the bad-tempered ladybird and made their very own speech bubbles using ideas from the book.
- In Maths we have been learning about time. The children have been discussing what they do in the morning, afternoon and night. They enjoyed making their own clocks and thinking about o'clock and half past.
- In Forest School we collected a variety of different materials to create our very own bug hotels. We then returned to school and enjoyed hanging our bug hotels on trees and keeping an eye on them throughout the week.
