10<sup>th</sup> May 2019

Dear Parents and Carers,

This week we have read Handa's Surprise and learnt about the animals that steal from her basket.

- We have enjoyed learning all about African animals this week. The children have created their own zoo signs and labels using recyclable materials for our very own outdoor Reception Zoo.
- In Maths, we have been practicing making our own graphs and recording our answers using tally marks. The children have tried new fruits this week and recorded how many children in the class liked each fruit in the graph.

Important Information:

- **Friday 17<sup>th</sup> May (the last stay and play for the year)**
  - Stay and Play – Turtles and Sharks
  - Show and tell – Dolphins

Stars of the week:

- Sharks – Wessam
- Dolphins – Abdul - Rauf
- Turtles – Anjelica

### Summer 1 Topic Focus - Animals

This term our focus is animals. The children will be reading stories with animals and exploring different animals, learning to sort animals (sea, land, air), discussing the similarities and differences between animals.

### Week 4 – The Great Pet Sale

- Children will be making posters to show how to take care of a pet. We will also be recapping money and using coins to make different amounts.
- Next week we will be discussing targets with the children. We are going to be asking every child what they would like to practice and improve on. It would be fantastic if you could please speak to your child at home about this.

Thank you for your continuous support.

The Reception Team

Miss Lowe, Miss Douglas, Miss Gibb, Miss Buckley, Mrs Bachoo and Mrs Joseph

We aim to ensure our pupils become well-rounded, successful people who are equipped for life in Modern Britain
