17th May 2019

Dear Parents and Carers,

This week we have been learning about money and animals with the help of our book: 'The Great Pet Sale'.

- We looked at different pets and made a poster about how to look after an animal. We also used describing words to give a description of our pet e.g. a soft, fluffy kitten, a friendly, cuddly puppy or a scaly goldfish.
- In Maths we revised money and thought about different ways to make amounts up to 10p.

Important dates:

- This Friday, 17th May, is the final Stay and Play for Sharks and Turtles.
- Dolphins have Show and Tell.
- May half term: 24th May – 4th June (Please note Monday 3rd June is a training day and school is closed.)

Stars of the week:

- Turtles - Frankie
- Dolphins - Amber
- Sharks - Danny

Proud book ideas:

- Can you look at a shopping catalogue and cut and paste items you would like to buy?
- Can you draw and label all the coins?
- Can you make your own pet poster and describe how you would look after your animal?

Donations:

A big thank you to everyone who have been donating their junk modelling. Next term we are learning all about our community. We are looking for some **large packing cardboard boxes** for the children to construct their own houses and buildings. If you have any large cardboard box resources at home we would love to use this to help us with our learning at school.

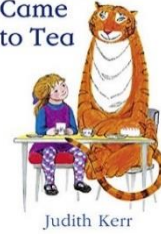

We aim to ensure our pupils become well-rounded, successful people who are equipped for life in Modern Britain

The Tiger Who
Came
to Tea

Summer 1 Topic Focus – Animals

This term our focus is Animals. The children will be reading stories with animals and exploring different animals, learning to sort animals (sea, land, air), discussing the similarities and differences between animals.

Week 6 – The Tiger Who Came to Tea

This week will be doing a lots of story writing based on The Tiger Who Came to Tea. We will be looking at beginning, middle and endings of stories and using sentence openers like suddenly, all of sudden, one day.

In Maths we will be learning about halving and sharing.

Thank you for your continuous support.
