Welcome to Nursery

Dear parents and carers, we would like to welcome you to Derwentwater Nursery. We will be sending you short Newsletter with pictures of our busy work regularly on every Friday.

Soft Start

We are now starting of each day with a 'Soft Start' that runs for 15 minutes from 8.45am till 9am. This means that when your child arrives at nursery they have the benefit of a gentle, welcoming start to their day. This also provides parents with the opportunity to spend 15 minutes each morning to settle or play with their children and share information with teachers.

Speech and Language Therapist

We are very pleased to let you know that we will have Speech and Language therapist every Tuesday morning with us. Ms Kelly is available to give you advice on anything connected to language and speech development of your child.

This week's learning

This week we are still settling in and learning basic Nursery rules and routine.

We started the week introducing ourselves to our new friends during

the carpet time and exploring the nursery toys and resources.

Cooking Time

On Tuesday we decided to harvest some of our lovely vegetables. We were very pleased with

ourselves as gardeners as the parsnips and carrots grew very well. We made tasty roast vegetables together.

Books

We would like to introduce you to our library system. We are changing the books every Monday and Friday. In order to change the books you would need to make sure your child has a book bag and the blue record book inside together with the book you wish to swap.

We need your help!

We would be grateful of any donation towards extra resources and ingredients for cooking or extra playdough. If you wish to donate please find our donation jar in the cloak room.

Thank you very much for all your support. **Please can you ensure your child has a change of clothes as we are very limited to the clothes we have.**
