

My dearest 2 Emerald,

You can't even imagine how much I miss you all! I hope that you are all well. These last two weeks, staying at home have been very strange but I want you to know that I have been thinking of you all and wondering what you are doing.

We have had such a great time in 2 Emerald these last couple of months! I have really enjoyed reading all your character descriptions and your own fairy tales. I think you are able to write a great set of instructions too. It was great fun to pretend to be Florence Nightingale or nurses and soldiers when we went to Gunnersbury Museum!

What pet did Florence have?

You impressed me with your number work by doing well in your maths tests too. I am really proud of your hard work at school and I hope you keep up this great attitude at home too.

Unfortunately, things have changed and we have to stay at home during this difficult time. This will help to stop the spread of the virus. Your parents and carers have had to keep you at home to make sure everyone is safe and healthy. Please help them by being kind, polite and caring at home. Do you remember what we were saying about 2 Emerald? It is still valid- we are kind and friendly!!

Try not to worry about any missed learning as every child is in the same situation. Try to keep yourselves busy with different activities, read books, practise your times tables. I am happy to see (as I do check!) that most of you log in regularly onto Reading Buddy and Rockstars!

Staying at home, I am also reading more books and trying to exercise every day. I have even baked apple crumble from scratch for the first time in my life! Ola and Marcel loved it.

I followed my mum's recipe!

Please try to do different activities too, exercise with Joe Wicks (<http://tiny.cc/kit7lz>), draw pictures and help your parents around the house. There are lots of ways to learn. When we return, I would love to see all the pictures, art and crafts and maybe diary entries or even photos of what you have been doing.

If it is possible, keep in touch with your friends online, play some games, sing and dance together - I know how amazing you can be doing all of this!

I really miss you. I will be in touch again soon. If you want to write a letter to me, save it and show me when we meet again.

Stay safe and be happy!

Best wishes,

Mrs Mendykowska
