

Adding a new Google Account

If you are having problems signing into Google Classroom it may be because you are already signed into Google with a different account.

<p>1. Open Chrome and go to Google.com You will either see a picture or letters to show that some is logged into a Google account. Click on it.</p>	
<p>2. Click on sign out</p>	
<p>3. Now try https://www.derwentwaterschool.com/home-learning/google-classroom Click on your child's class</p>	
<p>4. Now click on Use another account to sign in with your child's account.</p>
