

Derwentwater Nursery | Friday 26th February 2021

Dear parents

This week, we have been learning about spring. The children have enjoyed observing changes in our environment and watching the flowers and plants grow. This has prompted lots of conversations about bird nests and different habitats that minibeasts live in. These discussions and interests led to the children building homes for minibeasts and an enormous bird nest. After careful thought, the children decided that cardboard and straw were the best materials to use to create a nest. Some children then went on to create smaller bird nests out of recycled materials to take home.

End of day routine

When returning to school after the Easter break, we will be making a slight change to our end of day routine. To help everyone stay safe and healthy, we will be dismissing children from the main door in the Nursery playground.

To avoid small crowds gathering outside, the main gate will now be opened at 3:15 pm. When collecting your child, please walk down the path and wait in the nursery playground for your child to be dismissed.

When waiting for your child, please make sure that siblings **do not** play on the outdoor equipment or touch activities that have been set up.

This new procedure will not affect how children come into the nursery.

Library

We exchange library books every Monday and Friday.

At Derwentwater we love to promote reading

We recently started a 'help yourself' library on the nursery gate. We kindly ask you to return the book when you have finished.

School menu Autumn/Winter

What's on the menu?		HARRISON [®] food with thought					
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

We need your help!

- We would be grateful for any donations towards our cooking and gardening activities. This works out as £12 a Year or £2 each half term.
- Please ensure that your child has a pack of wet wipes in their bag.

Thank you very much for all your support and have a lovely weekend

The Nursery Team

Ms. Sekanina, Mrs. Ryan, Ms. Ferial
