

Monday 30th of September 2019

This week's learning

This week we were exploring autumn and learning about the months of the year. The children went on a leaf hunt in our Global Garden to investigate changes in our outdoor environment.

We also discussed which animals begin to hibernate and then made our own hedgehogs with clay.

The children loved dressing up as pirates this week and made up some very exciting stories about their adventures at sea.

Cooking Time

On Wednesday, we made carrot cake. The children helped to grate the carrots, break the eggs and mix everything well together. It was so delicious.

Reading at home

We want to introduce you to our library system. We will be changing the books every Monday and Friday. In order to do this, please ensure that your child has their book bag, their blue record book and the book they wish to change with them on these days. Book bags can be bought for £5 from the office.

We need your help!

We would be grateful for any donation towards extra resources and ingredients for cooking or extra playdough. If you wish to donate, please find our donation jar in the cloakroom.

Thank you very much for all your support.

Reminder

Please ensure your child has a change of clothing at the nursery. This can be left on their coat peg at school or placed in their book bag.

Dates for your diary

21st -25th – Half Term holiday
