

Friday 8th of November 2019

This week's learning

The children have been learning about Space and Rockets this week.

They enjoyed the small-world play and learnt some new words. They made their own spaceship out of cardboard and pretended to be an astronaut.

Cooking Time

This week, we made some healthy pumpkin pizzas. We have made our own dough and pumpkin topping.

Stay and Play

We would like to invite you to Stay and Play which takes place every Wednesday from 8:45-9:15 for morning children and 12:20-12:50 for afternoon children.

Books

We exchange library books every **Monday and Friday**. On these days, please ensure that your child comes to school with their library book and book record so we can exchange them.

Makaton

The children are using Makaton whilst singing songs and communicating with each other. They had so much fun learning the sign for the rocket this week.

We need your help!

Children often become engrossed in their play and can become messy or wet. As we are very limited with the spare clothes we have in Nursery, please ensure your child has an extra change of clothes on their coat peg.

Dates for your diary

27th – 28th November – Parents' Evening
