

The News at Derwentwater
Shakespeare Road, Acton, W3 6SA
Headteacher: Venessa Nicholas

Friday 7th February 2020

This week, the children were practising their colour recognition. They enjoyed the indoor and outdoor play, learning to recognise and name the colours and their shades.

The children had so much fun in our 'refurbished' home corner where they could look after babies and enjoy their role play.

Cooking Wednesday

This week, the children made healthy oat biscuits. They used oats, flour and butter to make the mixture. The children were amazed to see the butter melting in the pot and observed the changes of the texture when we mixed it together with oats.

Stay and Play

We would like to invite you to **Reading Stay and Play** which takes place every Wednesday from 8:45 am - 9:20 am for morning children and 12:20 pm - 12:55 pm for afternoon children. To encourage children to read, we would be grateful if you could read with them while you are joining us for Stay and Play.

Books

We exchange library books every Monday and Friday. On these days, please ensure that your child comes to school with their **library book and book record** so we can exchange them. Please add any comments your child might have made during the reading.

Makaton

This week we learnt to sign 'Hello, my name is...' in Makaton. [Please ask your children if they remember how to spell their name in Makaton.](#)

We need your help!

We aim to turn our front garden into a jungle. If you have any spare outdoor plants you might not need, please, feel free to bring them over and we will find a new home for them.

Please bring a pair of welly boots to the nursery. We want the children to enjoy outdoor play fully and the wellies will make it easier for us to stay dry.

Thank you,

The Nursery Team
