

Derwentwater Nursery | Friday 25th September 2020

Dear parents

We have some exciting news to share. The children worked very hard this week to put all our fish tank features together and to make sure it is clean and cosy and ready for the new fish. On Wednesday the fish finally arrived to the Nursery. We have five beautiful fish in the fish tank and we will be learning to take turns whilst feeding them and cleaning their home. The children learnt a lot about the fish and how to look after them. Did you know that fish have all around vision?

This week the children also helped to set up the natural corner outside in the playground by putting out the birdfeeder and the birdbath. We can't wait to see and hear the birds in nursery playground soon.

Library

We exchange library books every Monday and Friday. Please ensure that your child comes to school with their **Library book** and we will give you the new book record. Please add any comments your child might have made during the reading. To promote a love of reading we decided to include Story Show and tell. If you have any Storybooks at home your child would like to share with friends (maybe even in your native language) please bring it in for **Friday Show and tell**.

Uniform

If you have not had a chance to order the uniform yet, here is the link where you can order it online.

<https://www.schoolbellsuniforms.co.uk/primary-schools/derwentwater-primary-school.html>

Only items with the school logo, such as the PE T-shirt and jumper/cardigan, have to be purchased from School Bells. Any items not bearing the school logo can be purchased from any retailers, as long as they are of the right colour.

Google Classroom

If your child needs to stay home due to self-isolating you can find some free resources and activities to support them with their learning on Google Classroom. The resources and activities will be uploaded weekly. If you do not have internet access, please let us know so we can find a different way to help with your child's learning.

We need your help!

We would be grateful for any donations towards our cooking and gardening activities. To help us out to get the resources and ingredients that need to be bought regularly, such as playdough and cooking ingredients we ask you for a kind donation each half-term. This works out as £12 a Year or £2 a term. All these fun activities would not be possible without your kind help!

We would also like to ask the children to bring any natural treasure they might find in the park or on the way to nursery. It could be a rock, twig, acorn, conker leaf. We will make sure that it's well sanitised before use.

For the rainy day we would like to ask you to keep labelled welly boots and raincoat in our outdoor shed. You can leave it in nursery or take it at the end of the day.

Thank you very much for all your support.

Yours Sincerely

Nursery Team (Ms Sekanina and Mrs Ryan)

Nursery Routines
