

Derwentwater Reception | Friday 25th September 2020

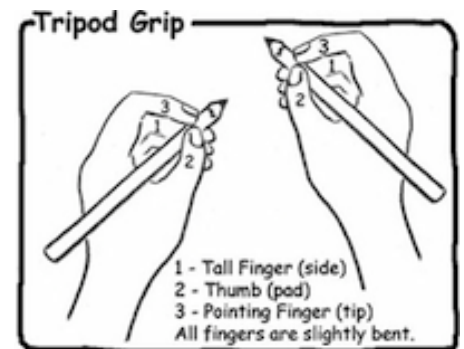

Dear Parents and Carers,

This week the children have been meeting their new classmates and getting to know each other and their new teachers. They have been introduced to their routines for the day. This term our Topic has been all about me so the children have been looking at their features and describing them to each other, and creating self-portraits which are going to be displayed in the classroom. They have also made a booklet about themselves, where they have drawn things that they like and dislike and the members of their family. In Numeracy we have been exploring repeating patterns and the children have been creating our own patterns.

- We have been reading 'Harry and the Dinosaurs' and looking at the similarities between Harry's School and Derwentwater.

- We have been practising our 'Perfect Pencil Grip' when writing and drawing. Use our three 'worker' fingers for holding the pencil or pen.

- We have also been enjoying some 'relaxing time' after lunch, and have been doing some yoga as a class. This helps us to calm ourselves to re-enter the classroom ready to learn. We have been slowing down our breaths and relaxing our bodies to help refocus the children for the afternoon session.

This week are stars of the week are:

- Turtles – Kiara
- Dolphins - Leena
