

Derwentwater Nursery | Friday 15th October 2021

Dear Parents and Carers,

In the nursery this week, we used circle time activities to practise recognising our names and then used our name cards to help us write the initial letter of our names. In our creative area, we used different materials to create a sensory picture. This allowed the children to practise and develop their scissor and cutting skills.

Following the children's interests in animals, we have been using various construction resources to build farms and stables. The children have acted out different scenarios and situations of farmers taking care of their animals. This led to our outdoor area becoming an obstacle course for horses. It also helped the children to develop their language and understanding of the prepositions over and under.

Lunch and snacks

At Derwentwater, we aim to promote healthy eating. We are aware of the importance of children having a balanced diet, and we provide a healthy snack of fruit during the morning session and again in the afternoon.

We would like to reiterate that **we do not** encourage children to bring in chocolate or crisps from home. Please do not put these into your child's bag.

Library

We exchange library books every Friday. Please ensure that your child comes to school with their Library book and we will give you the new book record. Please make sure to bring the book bag every Monday and Friday. If your child still doesn't have one, please purchase it from the office.

Change of Clothes

We would be grateful if all parents could provide their child with a change of clothes. Children sometimes have toileting accidents or get wet playing in the water, and we have limited supplies of clothes and storage space for them in Nursery. Please leave the change of clothes in a named bag on your child's peg and check daily to see if they need to be replenished.

We would appreciate your help!

To help us out to get the resources and ingredients that need to be bought regularly, such as playdough and cooking ingredients we ask you for a kind donation each half-term. This works out as £12 a Year or £2 a term.

All these fun activities would not be possible without your kind help!

Thank you and have a lovely weekend

The Nursery Team

Miss Paxton, Mrs Joseph, Ms Ferial
