

# Derwentwater Nursery | Friday 9th July 2021

Dear parents,

We had such a great week here in the nursery. The children had so much fun learning about pirates and making their pirate costumes. We made pirate hats, pirate hooks, and pirate swords out of cardboard to support our role play. On Wednesday, the children made healthy gingerbread biscuits. They crushed the spices, using pestle and mortar and explored different smells and textures. The children were encouraged to use a scale to measure ingredients. We had so much fun learning how to crack the egg. The children used their fingers to split open the eggshell and then poured the yolk into a bowl.

This week, we have been practising the sound that the letter 'p' makes. The next sound is the sound that the letter 'g' makes.

## Library

We exchange library books every Monday and Friday. At Derwentwater we love to promote reading. We recently started a 'help yourself' library on the nursery gate. We kindly ask you to return the book when you have finished.
