

## Derwentwater Nursery | Friday 27<sup>th</sup> November 2020

### Dear parents

This week, the children had so much fun exploring height and length. They measured each other lying on the floor and made a mark with the ruler. When they finished they took wool and measured the same length of wool to put on our 'Look how tall we are?' display 😊.

On the playdough table, children investigated signs of autumn and made up lovely stories, playing with small world forest animals.

On Wednesday, we decided to make some carrot chips in the oven. The children washed, cut, and seasoned the carrots with the herbs from the nursery herbal garden. They enjoyed their healthy snack.

### Library

We exchange library books every Monday and Friday. Please ensure that your child comes to school with their **Library book** and we will give you the new book record. Please add any comments your child might have made during the reading or they can do a little drawing of the story they have just read.

### Google Classroom

Please make sure you log onto the Google classroom. You should have received your login details via email. The resources and activities will be uploaded weekly. If you do not have internet access, please let us know so we can find a different way to help with your child's remote learning when needed.

### We need your help!

- We would be grateful for any donations towards our cooking and gardening activities. To help us out to get the resources and ingredients that need to be bought regularly, such as playdough and cooking ingredients we ask you for a kind donation each half-term. This works out as £12 a Year or £2 a term. All these fun activities would not be possible without your kind help!
- Please ensure that your child has a pack of wet wipes in their bags
- Donations of tissue boxes will be appreciated as the weather is getting colder
- For the rainy day, we would like to ask you to keep labelled welly boots and raincoat in our outdoor shed. You can leave it in the nursery or take it at the end of the day.
- If you have any larger glass jars you can spare, please bring them to nursery. We are going to be investigating colours and shades, making our own ink/dye.
- Also if you have any materials you can spare (curtains, table cloths, towels) please bring them to the nursery.
- Please bring an old oversize T-shirt or an old shirt for your child to keep in their tray if needed to be used for painting projects?

Thank you very much for all your support.

Yours Sincerely

Nursery Team (Ms. Sekanina, Mrs. Ryan, Ms. Feriel)
