

Derwentwater Nursery | Friday 20th November 2020

Dear parents

What an exciting week we had. The children started to work together on the art project - *Recycled material art wall*. Learning about shapes and patterns this term, we decided to include it in the art project as well. Looking after nature, the children helped to make the bird food for our birdwatch area outside. They mixed lard and seeds and let it set in the fridge before putting it in the birdfeeder. On Wednesday, children drew their self-portraits. We had so much fun looking at ourselves in the mirror and observing similarities and differences in our appearance. The children enjoyed the sensory area, playing with the cornflour and mixing colours and glitter with it.

Library

We exchange library books every Monday and Friday. Please ensure that your child comes to school with their **Library book** and we will give you the new book record. Please add any comments your child might have made during the reading or they can do a little drawing of the story they have just read.

Google Classroom

Please make sure you log onto the Google classroom. You should have received your login details via email. The resources and activities will be uploaded weekly. If you do not have internet access, please let us know so we can find a different way to help with your child's remote learning when needed.

We need your help!

- We would be grateful for any donations towards our cooking and gardening activities. To help us out to get the resources and ingredients that need to be bought regularly, such as playdough and cooking ingredients we ask you for a kind donation each half-term. This works out as £12 a Year or £2 a term. All these fun activities would not be possible without your kind help!
- For the rainy day, we would like to ask you to keep labelled welly boots and raincoat in our outdoor shed. You can leave it in the nursery or take it at the end of the day.
- If you find any cardboard boxes, empty (please cleaned) containers, bottles, jars, etc. please donate them to the nursery. The children love painting real 3D objects. We can also use them for our Recycled art wall project.
- Could you please bring an old oversize T-shirt or an old shirt for your child to keep in their tray if needed to be used for painting projects?

Thank you very much for all your support.

Yours Sincerely

Nursery Team (Ms. Sekanina, Mrs. Ryan, Ms. Ferial)
