Focus Book - People Who Help Us - John Wood

Our focus book for next week is People Who Help Us. We will be looking at who helps us and how they can help. We will focus on a variety of different key workers and how they help our community. The children will continue to work on their name writing and letter formation.

In Maths, we will be focusing on matching and sorting. We will be looking for things in our environment that match, and we will be sorting them into groups. We will sort objects based on colour, shape and size.
