

## Derwentwater Reception | Friday 18<sup>th</sup> June 2021

Dear Parents and Carers,

This week we have been learning all about ladybirds. The children have enjoyed looking at non-fiction books to find out some information about ladybirds.

- This week we have been focusing on using punctuation in our writing. The children have been including speech marks when writing their own speech bubbles.
- We have been creating our very own ladybirds using different 2D shapes.
- In maths we have been learning all about time. We have been learning about what we do in the morning, afternoon and night. The children have begun to learn to tell the time using the word o'clock.

**The Stars of the week are:**

Dolphins- Tameem

Turtles- Yasir

### Important Information

- As the weather is getting a lot warmer please ensure that your child comes to school with a bottle of water everyday and a sunhat, and that sun cream is applied before school if needed.
- Reading Records- reading records and reading books need to be in the children's bag every day. We have a set day that we change each child's book and if both are not returned then we are not able to do this!
- Please ensure that all children are coming to school in the correct uniform every day. P.E. uniform can be worn on a Thursday.
- Please make sure your child is at school by **8:55am**. The classroom doors will be closing at this time every day.
- Please see whole school newsletter for important dates.

In the likely event of hot weather, make sure your child is prepared for the day by applying sun screen and wearing a suitable sunhat.
