

To my lovely Dolphin Class,

Hello! How are you all doing? I've been thinking of you lots and wondering what you are up to. I hope that you are all well, that you are having a fun and of course doing lots of learning!

As for me, I am doing great, I've been staying at my family home with my mum dad, and two brothers. We are all doing really well and are just trying to make each day as fun as we can, I have been learning to play the piano to keep my brain busy, doing lots of reading and playing games with my family. I am very grateful to have them and a lovely house to stay in. What is one thing that you are grateful for at the moment?

Are you practising your sounding out when you read and showing your family how great you are at reading? Remember to use the pictures to help you tell the story. What stories have you been reading?

I'm sure that you are missing school and your friends' lots- we had lots of fun learning together at school! Like our Christmas Play, do you remember how much fun that was? I also really liked when we had a Doctor come in and talk to us about her job- it was so interesting looking at all the equipment she used.

I think it's a really good idea to stay in contact with each other. So maybe you could ask your parents/carer if you are able to call one of your friends or even send them a lovely letter- I'm sure they would love to hear from you.

I am so proud of how you are all handling this tricky situation – you are all incredible! I hope you are remembering to keep up with your busy learning and practising our Golden rules. Just in case, I have included a behaviour chart and timetable for you with my letter.

I miss you all very much and I really look forward to hearing all about what you have been getting up to when we are all back together in Dolphin Class.

Stay safe and stay smiling,

From Miss Cornford

Hello Dolphins

I am missing you all lots and hope to see you soon, I am sure you all want to come back to school as soon as possible. The days are long and boring without the Dolphins and not fun at all. I hope you all doing lots of busy work at home such as making amazing models with 3D shapes, drawing and painting, making cookies and writing many letters to your teachers.

Do not forget to log in to Oxford Reading Owl and read lots books. Cannot wait to hear what you all have been up to.

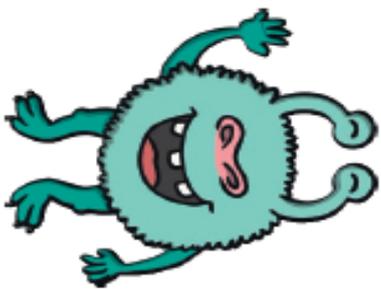

Stay safe, lots of love,

Mrs Bachoo
