

To my wonderful Turtle Class,

Hello! How are you all doing? I've been thinking of you lots and wondering what you are up to. I hope that you are all well, that you are having a fun and of course doing lots of learning! I am really missing you.

As for me, I am doing great. I've been staying inside with my flatmates because that's what we have all been told to do. I am keeping my brain active with lots of busy activities such as reading, puzzles and playing board games. We are all doing really well and are just trying to make each day as fun as we can. I am very grateful to have them and a lovely house to stay in. What is one thing that you are grateful for at the moment?

I am sure that you are missing school and your friends' lots- we had lots of fun learning together at school! So it's good to stay in contact with them. You could ask your parents/carer if you are able to call them or even send them a lovely letter- I'm sure they would love to hear from you.

I am so proud of how you are all handling this tricky situation – you are all incredible. I hope you are remembering to keep up with your busy learning and practising our Golden rules. Just in case, I have included a behaviour chart and timetable for you with my letter.

I miss you all very much and I really look forward to hearing all about what you have been getting up to when we return to school.

Stay safe and stay smiling,

From Miss Gibb
